4. Notice to Applicant:

ALL replacements, new projects and changes MUST meet current CC&R's, etc

The authority of the Architectural Control Committee ("ACC") is derived from the Assignment of Authority to Appoint and to Act as Architectural Committees for Oak Creek HOA Document No. 9647369 on April 13, 1995 in the Official Public Records of Williamson County, Texas ("Assignment").

IMPORTANT: No work should be commenced until written approval is received from the ARC. Application valid for 120 days after approval. I further understand that I have 90 days to finish the project once project is approved.

Applicant acknowledges contained in the Declaration in addition to any guidelines or rules adopted by the Association or ACC from time to time. All improvements must be constructed in accordance with the laws, rules, regulations, and building codes of governmental authorities having jurisdiction. Approval of this application does not constitute approval by any governmental authority, nor does it constitute a building permit.

Approval of this application does not give Applicant the right to enter upon the property of any other owner or the common area in order to perform the construction contemplated by this application.

Applicant certifies that the information contained herein is true and correct to the best knowledge and belief of Applicant. Additional information may be required by the ACC for clarifications.
